

LOWRIDER

Lowrider's fresh new sound is undeniably the latest breakthrough in Australian music. Their second album, *Diamond Amongst the Thieves*, highlights the sophisticated sound of the young band and is sure to blow you away.

With music influences originating from the diverse backgrounds of the band, Lowrider's music is an immaculate fusion of hip hop, pop and soul. Lowrider's street cred is proven by their steady radio play and their successful Australian tours, not to mention sharing the Big Day Out mainstage with the Hilltop Hoods and their upcoming national tour with Alicia Keys in December 2008.

Lowrider's musical prowess translates on stage to an overwhelmingly gripping show that is not to be missed.
